

Art Smart - 6th Grade
December - Egypt

Project Idea: Egyptian Mummy Case

Materials Needed:

Paper/Poster Board

Pencils

Markers

Gold & Silver Sharpies

Instructions:

Using a template, cut out mummy case shapes out of paper or poster board ahead of time.

Have the students imagine that they are an important figure in ancient Egypt. Give each student a mummy case shape, and using a pencil, markers and metallic markers have each student create a mummy case that reflects themselves. Encourage students to use the “Write Like an Egyptian” hand out to spell their names. And have them use some of the symbols discussed: scarab, gods, lotus, gold face, etc.
