

Art Smart - 2nd Grade
October - Pets

Project Idea: Draw a Pet

Materials Needed:

White paper

Crayons, pencils, markers, etc (what students have in desk/classroom)

Copies of "step by step" instructions of how to draw a pet (pass out in class if needed, collect at the end and return to binder)

How to draw a pet. Enclosed there are examples of various ways to draw different pets. Have the student pick one and walk them through each step as they draw on a piece of white paper. Have them color and decorate their pet as they wish. Have students write their name on the back of their paper.
