

Art Smart - 1st Grade
December - VanGogh

Project Idea: Starry, Starry Night

Materials Needed:

Light Blue Card stock or paper
Oil Pastels

Instructions:

Give each child a piece of the light blue paper. Using the oil pastels, have children draw elements of “Starry Night” — the stars that resemble fried eggs, swirling clouds, curly cypress trees, crescent moon, hills, a little village, etc. Have them try to fill as much space with lines of color around the shapes.
