

Art Smart - 1st Grade
January - Faith Ringgold

Project Idea: Story Quilt

Materials Needed:

White or yellow card stock or paper
Fabric strips cut from fabric scraps
Glue sticks
Markers
Crayons

Instructions:

Volunteers will prep fabric strips before the lesson. Give each child a piece of white paper or card stock, two 11" fabric strips and two 6-1/2" fabric strips (about 1.5-2" wide). Have children glue the long strips on the long sides of the card stock, and the short strips on the short side, making a frame. Using markers and crayons have the children draw a picture that tells a story about their life. Could be a favorite family memory or holiday, vacation, etc.
