

Art Smart - Kindergarten
February - Seasons

Project Idea: Trees in Seasons

Materials Needed:

Different colored construction paper
Pencils
Crayons
Markers
Oil Pastels
or Paint

Instructions:

Each student will trace their hand and arm on a piece of colored construction paper. This will become their tree to decorate in whichever season they want to portray. Have them think about colors of the season when picking the construction paper color. Also have students add as much detail as they can to the whole picture.
