

**Art Smart - 4th Grade**  
**November - Day of the Dead**

## Project Idea: Calaveras (Skull)

**Materials Needed:**

white paper plates  
scissors  
markers

**Instructions:**

Students will each get a paper plate to cut into a skull shape. See example. Then have them color large eyes and a heart shape for the nose space. The they can color in lots of details and shapes with bright colors.
